RE: Public Records Reference # P012415-111918

Daysia Tolentino:

This letter is in response to your California Public Records Act request dated November 19, 2018 wherein you requested:

- 1) Any reports filed for non-consensual pornography or "revenge porn" investigations from October 1, 2013 to the date this request is processed; and
- 2) Arrest logs relating to charges of non-consensual pornography or "revenge porn" from October 1, 2013 to the date this request is processed

The City has collected all documents that appear to be responsive to your request.

Our Records Management System (RMS) tracks reports of crime violations and arrests/citations based on the specific statute(s) alleged to have been violations. Please find uploaded to the portal a spreadsheet listing all reports filed from Jan. 1, 2013 through present day documenting violations of PC § 647(j)(4)(a), which is the statute which best matches the description provided in this request. Our RMS indicates that we have made no arrests and have issued no citations for violations of this statute within that same date range.

To the extent that this request seeks information or documentation that constitutes investigatory material that is exempt from disclosure under the California Public Records Act (CPRA), said material has not been provided. (Cal. Gov. Code § 6254(f).)

If you need anything further, please contact the City's Record Department at (916) 808-5002 or via email at records@cityofsacramento.org.
